SUMMARY

I am a Hardworking College Student looking forward for an internship. Bringing forth a motivated attitude and a variety of powerful skills in Web Development and Graphic Designing. Adept in various social media platforms and office technology programs. Committed to utilizing my skills to further the mission of a company. Proven ability to establish and maintain excellent communication and relationships with clients. Excellent time management skills combined with a superior knowledge of the customer service industry.

EXPERIENCE

Web Development intern CodeClause

April 2023 - May 2023, India

Web Development Intern Oasis Infobyte

April 2023 - May 2023, India

- Developed and maintained website functionality with HTML, CSS, JavaScript, React and Node.js, created reusable components to reduce time and optimize user experience.

Content Writer Cojective

March 2021 - May 2023, India

- Worked to assess competing websites in regards to content, look, and feel
- Coordinated mailings, marketing materials, and website content
- Collaborated with other departments and teams to identify useful content ideas and tap out strategies.
- Utilized innovative thinking skill to produce fresh and interesting content.

Graphic Designer Intern Cojective

June 2022 - August 2022, India

- Created and implemented marketing collateral to meet a variety of communication goals including web advertising, post, thumbnails, logos, brochures, and presentations and many more.
- I learned to take on new challenges and develop my skills in areas such as branding, UI/UX, motion graphics, and web design. I'm a quick learner who is always up for a challenge, and I believe that my positive attitude and attention to detail make me a valuable asset to any design team.
